These are the belief statements of the Board of Directors and our staff:

*Kingdom Builders Child Care and Christian Academy believes that each child is a gift from God and, therefore, staff continually strives to nurture the child and support the parent.

- Kingdom Builders Child Care and Christian Academy provides a safe and healthy environment for children, parents, and staff.
- Kingdom Builders Child Care and Christian Academy provides developmentally and age-appropriate activities for the physical, spiritual, emotional, and intellectual growth of each child.
- Kingdom Builders Child Care and Christian Academy presents and practices and models Christian values through, prayers, songs, Bible stories and special events.
- Kingdom Builders Child Care and Christian Academy has a professional staff that works together as a cohesive team by cooperating, communication and supporting each other to achieve individual and Center goals.
- Kingdom Builders Child Care and Christian Academy continually seeks to meet and exceed the criteria for a licensed and accredited agency.

KINGDOM BUILDERS CHILD CARE PHILOSOPHY

Our major emphasis is to help children discover their God-given qualities while providing a safe and nurturing environment conducive to learning and education.

As a Christian Child Care center, we teach compassion and respect for others and an awareness of others. We teach and practice Christian values through modeling, prayers, singing, and Bible stories. Spiritual concepts are woven into our curriculum and the daily activities within each classroom. The children are taught daily about God's love for them.

We believe that children learn best in a play-oriented, hands-on environment in which each child develops school readiness skills at his or her own developmental level. Through play, children learn to socialize and communicate their thoughts and feelings to others. They also learn to organize, to problem-solve and to use their imaginations. The activities we provide give them many opportunities to develop their cognitive, social, emotional, physical and spiritual growth.

We believe that the family unit is the most important factor in a child's life. Therefore, building strong relationships with parents is very important to us and we take a partnership approach to child care. You are welcome at Kingdom Builders Child Care and

KINGDOM BUILDERS CHRISTIAN ACADEMY PHILOSOPHY

Kingdom Builders Christian Academy offers an educational environment with morality and character building as its core, without compromising academic standards. It is our belief that education should begin, first, in the home and the Academy serves merely as an extension of the responsibility of the family to educate and train their children. It is our purpose, as a Christian Academy, to provide the opportunity for each student to come to know Jesus Christ as his or her personal Lord and Savior.

The curriculum at Kingdom Builders Christian Academy is selected with much prayer and research. As a "nurturing" Christian school, we seek to admit students of parents who will support the school's Mission and educational philosophy.

TOILET-TRAINING

We will "assist young children with their toileting skills." Toileting is mastered when the child is ready. This generally occurs around 2, maybe a few months earlier or later, because each child differs, this may vary! Toileting is another child developmental milestone and as with all stages of development, it cannot be forced. Toileting is a step towards independence. We need to be there to assist, NOT INSIST. We let the child decide when she/he is ready. However, we do not relate "toilet learning" to being a "big boy" or "big girl". We believe in encouragement throughout the process.

DISCIPLINE AND BEHAVIOR MANAGEMENT POLICY

The guidelines for discipline are to foster and teach children to be independent, self-monitors of their behavior that walk in love. This will be achieved through behavior guidelines provided by teachers and staff.

The director or any other staff of the facility will not subject children to any form of corporal punishment.

Kingdom Builders owner, director and staff will provide Verbal Guidance by:

- Speaking kindly to children
- Providing a positive verbal praise when interacting with children.

Children may be released to people listed on the emergency contact list, with prior permission from the parent.

Children left after hours may not be taken home with employees, unless an employee has been authorized to pick up your child and it is included on your enrollment paperwork. Every attempt will be made to contact parents and emergency contacts. If no designee can be located, the police department will be contacted and given the name of the parent/guardian.

If the child is released to authorities for temporary care, and the center is closed, a note will be left on the front door advising the parent of the situation. Parents/guardians abusing closing policy may be subject to immediate termination from the program.

RELEASING CHILDREN TO APPARENTLY INTOXICATED PARENTS

If the individual authorized to pick up the child appears to be intoxicated and intends to operate a motor vehicle to transport the child, staff will ask if there is someone else who is present and in a better condition to drive. Staff will release the child(ren) only if another person who does not appear to be intoxicated agrees to drive. If there is no other person, we will offer to call someone else to come and drive you and your child (ren) home.

Should the person refuse to have the child (ren) driven home by someone who is not under the influence of alcohol, and then staff are mandated to immediately call the police department.

The following reporting procedures will be applied:

- *Report to the police department
- *Report to child protective services (CPS)
- *Fill out an incident report and report to TDFPS within 24 hrs.
